PENSIONS ASSISTANCE

We have an experienced Pensions Advocate trained under the current legislation to assist you in your enquiries. This Advocate will be able to give information on entitlements to Health Care and services, Pensions, particularly disability pensions and other available benefits. Also they can assist in relevant documentation, application forms etc. Keeping the Veteran informed on the progress and any outcomes is normal procedure.

All claims are dealt with in a timely and courteous manner with privacy paramount.

Are your records up to date?

These services are provided to Veterans and their spouses, partners and dependents living in Moe and the surrounding areas.

It is a one-stop service staffed by volunteers supported by the Department of Veterans Affairs and various Ex-service organisations, which provide information about entitlements to Pensions, give assistance in making claims and offer advice on Welfare matters.

Our staff have a wide range of skills enabling them to assist Veterans and their dependents in dealings with the Department of Veterans Affairs. They also work with organizations in the wider Community and the local Councils and regions.

We NEED your help.

If you can spare an hour or two on a weekly basis, we really would appreciate a Veterans presence to make other Veterans feel comfortable.

**MEMBERS
LOUNGE
Renovations
UNDER WAY**

Dear Members,

Welcome to our Winter edition of the Club's Newsletter.

Over the past two years, our community has experienced many lows as covid took over the way we live our day to day lives. We are now having to learn to live with Covid as we move forward.

As a business, Moe RSL Sub Branch Inc; has suffered through regular long periods of closures like all other businesses. However, I can report that the Club is in a very solid position due to frugal management practices.

The Club has been through a lot over the past two and half years including the flooding of the Members Lounge which is currently under renovation. The works for this are due for completion August 2022.

As we get back to some normality, like many other businesses, Moe RSL has experienced staff shortages from bar and gaming staff through to chefs and kitchen staff. At present demand for hospitality staff has hit a two-year high in Australia. Hospitality has been one of the hardest-hit sectors during the pandemic.

Moe RSL is still currently in the process of recruiting chef shortfalls to cover our operational requirements. We understand the frustration that this sometimes causes for our members and the resulting issues of increased wait times in our bistro in particular.

As a Club we pride ourselves on our exceptional service and we ask for members patience during these times as we work through resolving shortfalls.

Club Management have a number of events planned in coming months including the ever popular 'A TASTE OF TAMWORTH SHOW' 30th July 2022. We are continuing to increase prizes for our popular Friday night raffles. If you have any suggestions, please do not hesitate to send me an email or see me at the Club.

Day Club is operating every Tuesday from 10am and Carpet bowls are held each Thursday from 1:00pm. We are hoping to get snooker and pool tables open again as soon as Members Lounge renovations are completed..

Management appreciate your ongoing support through these times and we look forward to seeing you at the club soon.
